During the period under review, a Co-operative Farming society for the benefit of the landless Harijan families in the Halaganahalli Date Grove in Goribidnur Taluk was registered in pursuance of Government Order dated 1st March 1950, sanctioning the introduction of Co-operative Farming in the State. Government have directed that out of Rs. 25,000 sanctioned to each of the four Co-operative Farming units, a sum of Rs. 16,500 be treated as a loan free of interest, repayable in five annual instalments and the balance of Rs. 8,500 being treated as an outright grant to be drawn by the Co-operative Farming Societies as and when funds are required by them. Action has accordingly been taken in this regard. Steady progress is noticeable in regard to the ploughing and cropping operations in respect of the Co-operative Farming Societies. So far, an extent of 1,586 acres of land has been ploughed while an extent of 1,398 acres of land has been sown with crops like ragi, jola, nayanee, chillies, gram, paddy, pulses, groundnuts and cotton and the condition of the crop is stated to be satisfactory.

A drive for the collection of funds by way of share subscriptions and deposits from co-operative institutions and individuals has already been launched and it is hoped that before long, the Corporation would take up the housing activities.

The Mysore Provincial Silk Handloom Co-operative Society registered at Bangalore has shown a substantial progress within the short period of its existence. It has so far enrolled 564 members who have subscribed a share capital of Rs. 26,350. The total working capital of the

society exceeds Rs. 75,000. The society has during the period under review, distributed imported silk to an extent of Rs. 1,05,850.

With a view to arrange for the equitable distribution of silk among various power-looms, the Mysore State Powerloom Silk Manufacturers' Co-operative Society was registered on 19th September 1950.

The Multi-purpose Co-operative Societies have been making steady progress in the rural parts. Their membership exceeds 1,65,010 and the paid-up share capital amounts to Rs. 27,07,338. Their working capital aggregates Rs. 31,44,423.

During the last Dasara Exhibition held at Mysore from 12th October 1950 to 27th October 1950, special arrangements were made for displaying the products of all the important Industrial and Marketing Co-operative Societies in the State. The Co-operative stalls organised under the joint auspices of the Departments of Co-operation and Rural Development attracted a large number of visitors including the Hon'ble Sri C. Rajagopalachari. Substantial sales of the products of Co-operative Societies were also effected at the Exhibition. The Rural Development and the Co-operative Wing of the Exhibition was a feature this time.

Government have sanctioned the proposals of the Registrar for the appointment of Sri B. T. Peethambara Rao, M.A., Senior Assistant Registrar of Co-operative Societies as Special Officer for the purpose of conducting training classes for the benefit of the Inspectors of Co-operative Societies and the candidates from the approved list for a period of two months.

PROGRESS REPORT IN RESPECT OF THE WORK RELATING TO THE AGRICULTURAL DEPARTMENT FOR THE FORTNIGHT ENDING 15TH OCTOBER 1950.

Fairly even and widespread rain all over the State improved the crop prospects considerably. Ragi crop, especially in most parts of the State, seems to have been greatly benefitted by the rains and the standard of the crop is understood to be good.

Tanks in Bangalore, Kolar and Tumkur are reported to be filling and in some instances discharging.

Due to the failure of early Mungar Jowar, an alarming infestation of Webbing Caterpillar on Ragi was noticed in small but widely spread patches in the Mungar Ragi zones of Mysore, T. Narasipur, Gundlupet, Chamarajanagar, Heggaddevankote, Hutur, Krishnarajanagar, Arkalgud, Holalkere and Channarayana taluks, and immediate action was taken to dust the fields with Gammexane and related chemicals and the infestation in stacks was attended to by dusting with Gammexane and fuming with "Killpox" wherever possible. The remedy was effective and fortunately the spread and the virulence of the incidents were both controlled.

Reports of cut worm on Ragi in Gundlupet were found to be exaggerated and there was no cause for alarm and action was taken to put into operation control measures by both dusting standing crops and removal of dead plants. However, an area of about 300 acres was thus treated.

It was estimated that nearly 22,000 acres had been sown to long staple cotton against 11,690 acres of this during previous year. Apart from the pure crop, it was estimated that about 7,000 acres were sown as mixed crop in ragi, groundnut and small millets. Equally interesting is the increased acreage that has come under medium staple cotton. Nearly 68,000 acres are reported to have been sown to Selection 69 Jayawant, Hagari and other varieties in black soil tracts against 55,000 acres of the previous year. It should be added that the standard crop of Dooda Hathi is reported to be far above the average, thanks to favourable seasonal conditions and this should yield the targeted extra of 10,000 bales without much effort. The medium staple cotton has established itself and is making good progress. The target fixed for Mysore State both for long staple and medium staple cottons are likely to be exceeded.

The Department arranged to take part in the Dasara Exhibition at Mysore and has particularly been emphasising the importance of subsidiary food crops like tapioca, potato, sweet potato and banana in the diet economy of the average Mysorean. The Honourable Ministers for Finance and Home visited and inspected the site selected for the gin house for the Cotton Marketing Co-operative Society at Arsikere and were pleased to express their pleasure at the progress of the Society.

Parts of the gins have been received at Arsikere and an M. B. Shed will be moved from Bangalore and erected on the new site to serve as godown to the Society.

The Honourable Ministers were particularly pleased about the work at the Kasturba Centre especially about the Ragi and Castor (Hyderabad). They were specially interested in the quick multiplication of the Castor seed (Hyderabad) and its distribution to ryots.

When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10382—P. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10382—P. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. & S. 44-25-2, dated 18th September 1926).

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. As per G. O. No. E. 1892-1902—P. & S. 12-23-13, dated 8th December 1923, and G. O. No. 5139-95—P. & S. 52-30-1, dated 12th November 1930, the English or the Kanarese portion of the *Mysore Gazette*, consisting only of the five Parts, viz., I, II, III Section 1, III Section 3, IV and V taken together or an entire copy of the English or Kanarese Gazette containing all the parts will be supplied only to Patels, Nad-Patels, Shanbhogs and Sbeikdars within the State at half rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time or that he is on leave for a period not exceeding three years. Such subscribers will please note that the Gazette cannot be had in *separate parts* at concession rates under any other conditions and that they have to pay the full subscription for the part or parts required.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such money should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.
